

## **Dental Camp**

On 20/05/2022, Babu Banarasi Das College of Dental Sciences, BBDU, Lucknow organized a free dental check-up and awareness camp at the Department of Pharmacy, BBDNIIT, Lucknow.

A team of their dentists (interns), along with academic personnel, performed a full dental check-up for BBDNIIT students and faculty members. The camp included a dental awareness discussion, which educated individuals about common dental problems related to today's life style— particularly tooth decay and gum disease. They also discussed about the practices that must be followed to avoid them. The pupils were educated on the eating habits and dietary choices that might promote to dental decay. Young pupils relished the opportunity to interact with the dentists and ask questions about their oral problems and oral hygiene.

The college staff and students congratulated the team of Babu Banarasi Das College of Dental Sciences, BBDU, Lucknow for rendering their selfless service to the college and society.
